Wanna love ya  
Wanna bug ya  
Wanna squeeze ya  
Stupid girl

Wanna touch ya,  
Wanna take ya,  
Wanna shut ya,  
Stupid girl.

I can't take this,  
Born to break this.

She's going away,  
(She's going away)  
What's wrong with my life today?  
She's going away,  
(She's going away)  
What's wrong with my life today?  
Stupid girl, Stupid girl

I'm a loner,  
I'm a loser,  
I'm a winner,  
In my mind.

I'm a bad one,  
I'm a good one,  
I'm a sick one,  
With a smile.

I can't take this,  
Born to break this.

She's going away,  
(She's going away)  
What's wrong with my life today?  
She's going away,  
(She's going away)  
What's wrong with my life today?  
(What's wrong with my life today?)  
She's going away,

(She's going away)  
What's wrong with my life today?

(acoustic break)  
Stupid girl, Stupid girl  
Stupid girl, Stupid girl

(whoa)

She's going away,  
(She's going away)  
What's wrong with my life today?  
She's going away,  
(She's going away)  
What's wrong with my life today?  
(What's wrong with my life today?)  
She's going away,  
(She's going away)  
What's wrong with my life today?  
Stupid girl, Stupid girl  
Stupid girl, Stupid girl
