the fevers' gone now,
i still have issues
i took her will and broke her heart
the rain keeps falling,
cuts my best friend,
and left her there to hide the scars.

and i'll always fall forever in her,
forever in her.....

i cannot break,
the fight is on,
and i'll keep you safe,
the monster's gone.
(i'm gone)

I don't belong here,
i can't taste her skin,
can't feel anything at all.
the rain keeps falling,
cut my best friend,
left her there to hide the scars,

and i'll always fall forever in her,
forever in her.....
i cannot break,
the fight is on,
and i'll keep you safe,
the monster's gone.

i can hear it in the way you laughed at me,
all the silence that you gave were screams to me.
i can't find another way,
too bad for me.
i keep waiting for the day,
come back.

i cannot break,
the fight is on,
i'll keep you safe,
the monster's gone.

I'm gone.
