Oh, if it wasn't so easy to love you
And damn if you could only be true
Then I wouldn't feel affected, perhaps a bit neglected
Maybe that would be better after all

It's so easy to say when I know that you're distant
That I don't care 'bout you at all
But as soon as you're near me
There's a feeling that shouldn't be there after all

It's not the right time
But still the right feelings
A passionate streak
Bound to die

You say we've agreed that there's nothing between us
At least right now you tell me so
But how am I supposed to know who I'm gonna turn to
When you kissed me five minutes ago?

It's not the right time
But still the right feelings
A passionate streak
Bound to die

Oh, if it wasn't so easy to love you
And damn if you could only be true
