Why hesitate thinking to stop
Our enemy instead of this sound
That's what I want to be
The limits are few lying in your own hands
Don't care if everyone else understands

Just do what you want to do say what you want to say
Just go your own way
Do what you want to do say what you want to say
And if you don't want to stay scream, revolt, run away

Why always listen to the leader of the herd
You can speak for yourself just try a little word
So don't think why people praise you
They say it's better to ask than assume

Just do what you want to do say what you want to say
Just go your own way
Do what you want to do say what you want to say
And if you don't want to stay scream, revolt, run away

When times are changing
And I guess so are we
Each and every day I find a new piece of me
I don't want to walk in your dam parade
I wish to run free I'm afraid

Just do what I want to do say what I want to say
Just go my own way
Do what I want to do say what I want to say
Do what I want to do say what I want to say
Just go my own way
If I don't want to stay scream, revolt, run away
