I'm a little bit country  
And I'm a little bit rock 'n roll  
I'm a little bit of Memphis and nashville  
With a Little bit of Motown in my soul  
I don't know if it's good or bad  
But I Know I Love It So  
I'm a little bit country, I'm a little bit rock 'n roll

He's a little bit gentle, he's a little bit runnin' wild  
She's a little bit a full-grown woman, she's a little bit of  
a child  
Don't know if I'm happy or sad  
My music makes me whols  
I'm a little bit country  
And I'm a little bit rock 'n roll

I like that peaceful easy feeling of a laid-back country  
song  
And when I sing my rock 'n roll, I can sing it all night  
long  
I love my country with all my heart and my soul  
I go out on saturday night for a little bit of rock 'n roll  
I know I'm goin' to feel all right  
No matter where I go  
With a little bit of country  
And a little bit of rock 'n roll

I love my country with all my heart and my soul  
I go out on saturday night for a little bit of rock 'n roll  
I know I'm goin' to feel all right  
No matter where I go  
With a little bit of country  
And a little bit of rock 'n roll

We're a little bit country  
We're a little bit rock 'n roll
