I can see your heart is aching.
She hurt you more than she knew.
But should you ever want to love again.
I'll be faithful to you.

You've been crying like a willow
When the night birds sing so blue
Trust was broken but hearts will live
And I'll be faithful to you.

In this world of pain and sorrow
Where a promise don't hold true.
Here's a vow you can be sure of.
I'll be faithful to you.

So Let me dry away your lonesome tears.
Like the sun melts morning dew.
And I will wrap you up in true true love
And I'll be faithful to you.

In this world of pain and sorrow
Where a promise don't hold true.
Here's a vow you can be sure of.
I'll be faithful to you.

And I will wrap you up in true true love
And I'll be faithful to you.

In this world of pain and sorrow
Where a promise don't hold true.
Here's a vow you can be sure of.
I'll be faithful to you.

And I will wrap you up in true true love.
And I'll be faithful to you.
