Dan:

Wrote my whole life down in an old book,
Songs about you and me.
Been singing to every soul in Tennessee.
Nobody seems to listen,
No one ever smiles the way that you do.
So I guess you never hear me on the radio,
And I'd give up this crazy dream of mine to hold you
once more.

Won't you meet me in Montana.
I wanna see the mountains in your eyes.
Woah, woah, I had all of this life I can handle.
Meet me underneath that big Montana sky.

Marie:

I left home for Hollywood.
Lookin' for a part to play.
Well you always said I had such a pretty face.
But, I guess I'm not that pretty,
'Cause no one looks at me the way you do.
Well you'll always be a movie star to me.
Darlin' now I guess it's time that I let go of that dream.

Both:

Won't you meet me in Montana
I wanna see the mountains your eyes.
Woah, Woah I had all of this life I can handle
Meet me underneath that big Montana sky.

Well were stuck here in these hills that they call
mountains.

Darlin' back home in your arms is right where I want to
be.

Won't you meet me in Montana
I wanna see the mountains your eyes.
Woah, Woah I had all of this life I can handle
Meet me underneath that big Montana sky.

In Montana.
I wanna see the mountains in your eyes.
Woah, woah, I had all of this life that I can handle.
Meet me underneath that big Montana sky.
