Sometimes I can be so shy
I keep my emotions deep inside
And I try to tell you how much you mean to me
But each time I start out I get stuck, words don't come
easily

(Chorus)

When the feel of my hand
And the warmth of my touch
Ain't enough
Don't give up
Read My Lips
If your heart doesn't hear
When my arms draw you near
It will soon, soon be clear
Read My Lips

Lovin' eyes gaze into mine
Lookin' for some kind of sign
If I were a poet,
My feelings were poetry
I'd send you a thousand lines
About how much you mean to me

(Chorus)

Time after time
I try my best to say
How much I need you darlin'
The words just never came

(Chorus)
