This is the way that I feel, when Im with you, baby.
This is the way that I feel, when Im with you, baby.
Oh, I love you, yeah baby, I love you.

spoken

Listen, baby.

When Im just barely survivin,

oh, you make me feel so important.

And you mean so much to me, that I never want to
leave your side.

Oh, this is the way that I feel, when Im with you, baby.

This is the way that I feel, when Im with you, baby.

Oh, and I love you, yeah baby, I love you.

I know some of my friends try to tell you
that you oughta put me down.

And start dating some other girls, yeah,
whenever Im not around.

And I feel so good till I hear someone say
youre not right for me.

But when Im with you, baby, Im right where I want to be.

This is the way that I feel, when Im with you, baby.

This is the way that I feel, when Im with you, baby.

Oh, and I love you, yeah baby, I love you.

spoken

My heart beats like a thousand drums

when I reach out to hold you in my arms.

It feels like Im floating on a cloud,

every time you speak my name out loud.

This is the way that I feel, when Im with you, baby.

This is the way that I feel, when Im with you, baby.....
