Which way you goin' Billy?
Can I go to?
Which way you goin' Billy?
Can I go with you?
I really love you Billy
and all the time
I thought you loved me Billy and you were mine
I'm gonna miss you Billy
and though I'm trying
I'm hurting so bad Billy
I can't help crying

(Chorus)
You were my own, babe
My heart and my soul, babe
I'd have nothing to show, babe
if you should go away
You were my own, babe
My heart and my soul, babe
I'd have nothing to show, babe
if you should go

Which way you goin' Billy?
Oh, need I ask
'Cause you don't want me Billy,
you're free at last
I won't forget you Billy for all my life
I'll always love you, Billy,
I'll stay your wife

Chorus
