(dean manning)

Don't be confused by my apparent lack of ceremony  
My mind is clear  
I may be low or miles high off in the distance  
I want you near

I love you, even when I'm sleeping  
When I close my eyes  
You're everywhere

And if they take me flying on the magic carpet  
See me wave  
If our communication fails I'll reconnect it  
I want to rave

I love you, even when I'm sleeping  
When I close my eyes  
You're everywhere

No matter where the road is leading us remember  
Don't be afraid  
We have a continent that sometimes comes between us  
That's okay

I love you, even when I'm sleeping  
When I close my eyes  
You're everywhere
