Am I fool number one
or am I fool number two,
How many other girls
have been fooled by you?
I suppose that the number
is far from being small,
And I'll bet that I'm the biggest fool of all.

If I had the chance,
I guess I'd do it all again,
I'd go down the same old road
even knowing at the end,
You'll leave me when your heart hears
a new love call
So I guess that I'm the biggest fool of all.

Am I fool number one
or am I fool number two,
How many other girls have been fooled by you?
I suppose that the number, is far from being small
And I'll bet that I'm the biggest fool of all.
And I'll bet that I'm the biggest fool of all.
