(joan armatrading)

I sit here by myself and you know I love it
You know I don't want someone to come pay a visit
I wanna be by myself
I came in this world alone

Me myself i, me myself and i, just me myself i

I want to go to china and to see japan
I'd like to sail the oceans before the seas run dry
I wanna go by myself
I've just room enough for one

Me myself i, me myself and i, just me myself i

I wanna be a big shot and have ninety cars
I wanna have a boyfriend and a girl for laughs
But only on saturday
Six days to be alone

Just me myself i, me myself and i, just me myself i

Don't wanna be the bad guy
Don't wanna make a soul cry
It's not that I love myself
I just don't want company

Except me myself i, me myself and i, just me myself i

(repeat chorus to fade)
