(Max T. Barnes/T.W. Hale)

I was stumblin' in the dark, had given up hope
I was losing my grip at the end of my rope
It was only your will that pulled me through
Now let me be, that strong for you

When the world got to heavy and I was ready to fold
It was your shoulder that carried my load
You were my guardian angel, when all hell broke loose
Now let me be, that strong for you

Fate plays no favorites
Everybody gets burned
It's not your fault, it's just your turn
You once were the rock that I held on to
Now let me be, that strong for you

Fate plays no favorites
Everybody gets burned
It's not your fault, it's just your turn
When I was chained up in lies
You set me free with the truth
Now let me be, that strong for you

Now let me be, that strong for you
When you need somebody
Now let me be
When you need somebody
Now let me be
Everybody needs somebody
Needs somebody, needs somebody

Fate plays no favorites
Everybody gets burned
It's not your fault, it's just your turn
You once were the rock that I held on to
Now let me be, that strong for you

Fate plays no favorites
Everybody gets burned

It's not your fault, it's just your turn
You once were the rock that I held on to
Now let me be, that strong for you
Now let me be, that strong for you
