She gave him her reasons  
She said, "It would break her heart  
To love without commitment  
Would just be, too hard"

She gave him an ultimatum  
She said, "He would have to choose  
Between freedom and forever"  
And he didn't want to lose

'Cause he was crazy about her  
But he was crazy to run  
Wild with the horses  
When he knew, she was the one

He thought about tryin'  
To leave her and live with pain  
He knew the ride wasn't worth it  
But he just couldn't let go of the reins

'Cause he was crazy about her  
But he was crazy to run  
Wild with the horses  
When he knew, she was the one

But she agreed reluctantly  
As he stood there at the door  
And when he held her as she said goodbye  
He just couldn't let her go

'Cause he was crazy about her  
But he was crazy to run  
Wild with the horses  
When he knew, she was the one
