(dean manning)

Don't be confused by my apparent lack of ceremony
My mind is clear
I may be low or miles high off in the distance
I want you near

I love you, even when I'm sleeping
When I close my eyes
You're everywhere

And if they take me flying on the magic carpet
See me wave
If our communication fails I'll reconnect it
I want to rave

I love you, even when I'm sleeping
When I close my eyes
You're everywhere

No matter where the road is leading us remember
Don't be afraid
We have a continent that sometimes comes between us
That's okay

I love you, even when I'm sleeping
When I close my eyes
You're everywhere
