It's not the final destination  
It's the journey on the way  
And I can feel these times are changing  
And nothing could stand in my way

I wanna be free  
Free to find where I belong  
Free to find my way

I know at times I act a little crazy  
And I've made mistakes along the way  
But I can see the silver lining  
It's about to bring the change I have been waiting for  
Hey, hey

I wanna be free  
Free to find where I belong  
Free to find my way  
I wanna be free

I won't fight this feeling  
It's leading me so far away  
Believe in me, my baby  
'Cause everything's gonna be okay

Well, I don't know where I'm going  
And I don't know where I might be  
But I can feel these times are changing  
And that's alright by me

'Cause I'm free  
Free to find where I belong  
Free to find my way  
I wanna be free

'Cause I'm free  
Free to find where I belong  
Free to find my way  
I wanna be free

'Cause I'm free  
Free to find where I belong

Free to find my way

I wanna be free
