I am the invisible girl
A vanishing act in the big bad old world
I disappeared in the crowd
But now something inside has just gotta come out
Gonna set it free, be the real me, gonna let it go

Don't wanna be scared
Don't wanna be weak
Don't wanna be the last to speak, no

I'm gonna be brave
I'm gonna be strong
I'm ready to take it all on
Making it up as I go along
Making it up as I go along

I was nowhere to be found
Locked up so tight never making a sound
The answer stuck in my head
A thousand words always thought never said
Gonna make it clear, this is me here, gonna let it go

Don't wanna be scared
Don't wanna be weak
Don't wanna be the last to speak, no

I'm gonna be brave
I'm gonna be strong
I'm ready to take it all on
Making it up as I go along
Making it up as I go along

Making it up as I go along
Don't wanna be scared
Don't wanna be weak
Don't wanna be the last to speak, no

I'm gonna be brave
I'm gonna be strong
I'm ready to take it all on
Making it up as I go along
Making it up as I go along

Don't wanna be scared
Don't wanna be weak
Don't wanna be the last to speak, no

I'm gonna be brave
I'm gonna be strong
I'm ready to take it all on
Making it up as I go along
Making it up as I go along
