Looking back it was so long ago
Seems like only yesterday
You packed your bags and said you had to go
Somehow you'd lost your way

I let you go not knowing what to do
Or knowing what went wrong
And I prayed you'd not be long

You left me standing there
Knowing I'd be there waiting
But now I've changed my mind
I'm just doing fine baby

On my own
You never thought I'd make it
On my own
Oh you never thought I'd take it
On my own
Well I'm still surviving, living
On my own

You called me on the phone to talk to me
Just to see that I'm ok
But I can't help to think of love that we
Shared only yesterday

You just keep going on
You keep me hanging on and waiting
But now I've changed my mind
Cause I'm just doing fine baby

On my own
You never thought I'd make it
On my own
Oh you never thought I'd take it
On my own
Well I'm still surviving, living
On my own

Yeah-eah

Listen to me baby
Oh no you drive me crazy
Come closer now
And let me show you how
I'm living life for me
Without your misery
And I won't change my mind
Cause I'm still doin' fine

On my own
You never thought I'd make it
On my own
Oh you never thought I'd take it
On my own
Well I'm still surviving, living
On my own

You never thought I'd make it
Oh no you never thought I'd take it oh I'm still
surviving.....
Yeah yeah yeah yeah
