Good morning

Already afternoon

You've got a deadline

What are you gonna do?

You need a fast car

and take the fast lane

Speed around around the clock

Get your motor insane

Why hurry?

Just cool down

Start cruising along the boulevard

Rise up, speak out (loud)

The sun is shining just for you and me today

So I say

« CHORUS »

Oh, oh oh, oh, oh

Go where you wanna go

Do what you wanna do

What are you waiting for?

Oh, oh oh, oh, oh

New York, Miami

See what you wanna see

Be where you wanna be

Oh, oh oh, oh, oh

Go where you wanna go

Do what you wanna do

What are you waiting for?

Now!

Stay cool, relax

No rules but, save sex (save sex)

No fear, just steer

Check the boys they're working out

Shift to second gear

You've got a good vibration going on (Why hurry?)

You've got the rooftop all the way down (Start cruising)

Got a West Coast feeling on your own (Don't you worry,

now)

The sun is shining just for you and me today

So I say

« CHORUS »

Oh, oh oh, oh, oh

Go where you wanna go

Do what you wanna do

What are you waiting for?

Oh, oh oh, oh, oh

New York, Miami

See what you wanna see

Be where you wanna be

Oh, oh oh, oh, oh

Go where you wanna go

Do what you wanna do

What are you waiting for?

Oh oh oho oh

New York, Miami

See what you wanna see

Be where you wanna be

Be where you wanna be

Ohooohoo

Ohooohoo

Be where you wanna be

Ohooohoo

Ohooohoo
