Words and Music by Don Walker.

Lookin' like a Choir Girl,
She's cryin' like a refugee,
Lookin' like a Choir Girl,
She's cryin' like a refugee,

One nurse to hold her,
One nurse to wheel her down the corridors of healing,
For I've been tryin',
She's cryin' like a refugee,

Loves me like a sister,
Loves me like an only child,
Loves me like a sister,
She loves me like an only child,

She's my connection, yeah!
I'll hold on and never, never, never let her down,
'Cause she's alone,
She loves me like an only child.

Suffer little children,
Suffer little children,
Send a little child to me,
Send a little child to me,
All day the Doctor,
All day the Doctor,
He handles his responsibility,

Lookin' like a Choir Girl,
Cryin' like a refugee,
Lookin' like a Choir Girl,
Cryin' like a refugee,

She's my connection, yeah!
I'll hold on and never, never, never let her down,
'Cause she's alone,
And she cryin' like a Refugee.

Lookin' like a Choir Girl,

She's cryin' like a refugee,
Lookin' like a Choir Girl,
She's cryin' like a refugee,
Yes she is.
