I see life and it's passin' right before my eyes
And the past is the past, don't regret it, time to realize
I need to walk on the wire just to catch my breath
I don't know how or where but I'm goin', it's all that I
have left

It don't matter where it takes me
Long as I can keep this feeling runnin' through my soul

Never took this road before, destination unknown
Oh oh oh oh oh oh, destination unknown
Won't be coming back this way, gotta go it alone
Oh oh oh oh oh oh, destination unknown

See a chance gotta take it, wanna meet my fate
'Cause the last thing I ever wanted was to find out it's
too late
No way out when you're in it deeper than the night
There's a light at the end of the tunnel and I see it
burning bright

It don't matter where it takes me
Long as I can keep this feeling soarin' through my soul

Never took this road before, destination unknown
Oh oh oh oh oh oh, destination unknown
Won't be coming back this way, gotta go it alone
Oh oh oh oh oh oh, destination unknown
