On a certain level I wrote this story myself  
Life took a sudden turn  
I jumped the train even though  
I was aware of the risky choice

I don't know where to begin  
I'm not afraid of changes not even of life  
So I won't let it pass  
I'm not ending up with zero  
I decided not to dig too deep down

Hey  
Accused of betrayal  
A fling behind your back  
That part just didn't match my inner visions  
Made for us  
Made for us

I feel lousy like I've failed  
Still hanging 'round this town  
But I'll always be on my way  
Someplace else far from where I am

I don't know how to proceed  
Didn't ask of you to hold me until I die,  
But anyway I'm getting all panicked here  
I've had my fair share of drama

Hey,  
Accused of betrayal  
A fling behind your back  
I didn't know much then, but now I know that  
It's getting clearer each time  
Each time of day  
But fate ain't easy to swallow  
Tell me how

It's getting clearer each time  
Each passing day  
But fate ain't easy to swallow  
Tell me how
