~Hey yeah ohh~
~Ehh~
~Yeahh~

Feels like I've hurt for eternity
Now I'm ready to let it go
There's something better waiting for me
Is it possible?
But if I let go and I let you in
Promise I won't feel the pain again ~ohh~
How do I leave behind what's waiting on me

I need a miracle

~ahhh~
Then you came and made me believe
~ahh~
Open eyes
So I can see
~ahh~
Take my heart and
Set me free
~ahh~

[Chorus]

~Yeahhh~
Will you be my soldier
And put up a fight
Fight for our rights for love
For the rest of our lives

Will you stand tall
Through the things and thick and thins
Even when it's all a lie

Will you be my soldier
My soldier, my soldier
And fight for love

Feels like I've waited for eternity
Now your walking through my door

Could you be the one who's waiting for me
Is it possible

But if I let go and I let you in
Promise I won't feel the pain again
~ahhhh~
You made me stronger than I've ever been before
You gave me so much more

~ahhh~
Then you came and made me believe
~ahh~
Open eyes
So I can see
~ahh~
Take my heart and
Set me free
~ahh~

[Chorus]

~Yeahhh~
Will you be my soldier
And put up a fight
Fight for our rights for love
For the rest of our lives

Will you stand tall
Through the things and thick and thins
Even when it's all a lie

Will you be my soldier
My soldier, my soldier
And fight for love

~Uh. Uh. Ohh woah~
~Uh~
Will you fight for me?
~Uh. Uh.~
~ahh~

[Chorus]

~Yeahhh~
Will you be my soldier
And put up a fight
And fight for our rights for love
For the rest of our lives

Will you stand tall
Through the things and thick and thins

Even when it's all a lie

Will you be my soldier
My soldier, my soldier
And fight for love

Will you fight for my love?
Fight for my love...
