[Brothers & Sisters EP]

Brothers and sisters, brothers and sisters unite,
It's the time of your lives, it's the time of your lives,
Breakdown, breakdown,
Got to spread love around, got to spread love around.
Brothers and sisters feel fine,
It's the time of your life, it's the time of your life,
No sound, No sound,
Like this feeling you found, like this feeling you found,
Just stay down, cos sometimes you feel, so stay down.
Sometimes you feel.
And it's me they're looking for,
And it's me I will never survive,
But will be around so long.
Brothers and sisters unite.
Just stay down,
And sometimes you feel,
Just stay down,
And sometimes you feel,
And it's me they're looking for,
And it's me , I will never survive,
But will be round so long.
