It could be worse
I could be alone
I could be locked in here on my own
Like a stone that certainly drops
And it never stops
I could be lost
Or I Could be saved
Calling out from beneath the waves
Beaten down by this ocean rain
Never again
Never again

Ohhh, Ohhh
Ohhh, Ohhh

Screaming out from the crests of the waves

It could be worse
It's all sweet
It could be snapped from the jaws of defeat
Like a light lit upon a beach
Where your heart your sleeve
Oh
You want to stop before you begin
You want to sink when you know you could swim
You want to stop before you begin
Never give in
Never give in

Ohhh, Ohhh
Ohhh, Ohhh

Screaming out form the crests of the waves

Nothing matters
Except life and the love you make
Nothing matters
Except life and the love you make
Nothing matters
Except life and the love you make

Except life and the love you make

Screaming out from the crests of the waves

Screaming out from the crests of the waves

When your longing to be saved

Screaming out from the crests of the waves

When your longing to be saved

Screaming out from the crests of the waves
