Honey you are a rock
Upon which I stand
And I come here to talk
I hope you understand

That green eyes, yeah the spotlight, shines upon you
And how could, anybody, deny you

I came here with a load
And it feels so much lighter, now I've met you
And honey you should know, that I could never go on
without you

Green eyes

Honey you are the sea
Upon which I float
And I came here to talk
I think you should know

That green eyes, you're the one that I wanted to find
And anyone who, tried to deny you must be out of their
mind

Cause I came here with a load
And it feels so much lighter, since I met you
Honey you should know, that I could never go on
without you

Green eyes
Green eyes

Ohohohohooooo
Ohohohohooooo

Ohohohohooooo
Ohohohohooooo

Honey you are a rock
Upon which I stand
