Have yourself a merry little Christmas  
Let your heart be light  
From now on, our troubles will be out of sight

Have yourself a merry little Christmas  
Make the Yuletide gay  
From now on, our troubles will be far away

Here we are, as in olden days  
Happy golden days of your  
Faithful friends who are dear to us  
Gather near to us  
Once more

Through the years, we all will be together  
If the fates allow  
Hang a shining star upon the highest bough  
And have yourself a merry little Christmas now
