maybe, I don't really wanna know
How your garden grows
Coz I just wanna fly
Lately did you ever feel the pain
in the morning rain
as it soaks it to the bone

and maybe I just wanna fly
wanna live , I don't wanna die
maybe I just wanna breathe
maybe I just don't believe
maybe you're the same as me
we see things they'll never see
you and I are gonna live forever

I said maybe I don't really wanna know
how your garden grows
coz I just wanna fly
Lately did you ever feel the pain
in the morning rain
as it soaks it to the bone

and maybe I will never be
all the things that I'd like to be
now is not the time to cry
nows the time to find out why
I think you're the same as me
we see things they'll never see
you and I are gonna live forever

guitar solo

maybe I don't really wanna know
how your garden grows
Coz I just wanna fly
Lately did you ever feel the pain
in the morning rain
as it soaks it to the bone

and maybe I just wanna fly
wanna live , I don't wanna die

maybe I just wanna breathe
maybe I just don't believe
maybe you're the same as me
we see things they'll never see
you and I are gonna live forever

You and I are gonna live forever

You and I are gonna live forever

You and I are gonna live forever

gonna live forever

gonna live forever

gonna live forever

gonna live forever.
