Everything you always wanted to know about
About
About
About
But were afraid to ask
So this is the story of how your life began.
This is the story of you.
A simple, honest, yes or no, or true (please be ready)
or false.
We begin the test in five seconds.
Three, two, one.
All my life my mother kept telling me,
Sex is bad, sex is wrong.
When I'm having sex, I'll do anything.
I do about everything I want in my sex life,
Without reservation.
Big girls, ooh!
Bad girls, ooh!
Blond girls, ooh!
Ooh, ooh, ooh!
Big girls, ooh!
Bad girls, ooh!
Blond girls, ooh!
Ooh, ooh, ooh!
36, 24, 36
You want me to do what with my hand?
You know you're disgusting?
Oh my God that feels terrific!
Bob, what do you know about girls?
Well gosh, Doctor, they're a lot different than boys.
You're probably wondering (squeeze it)
How the father (pushing down)
Gets into the body of the mother. (squeeze it)
Rigid and vibrating!
Big girls, ooh!
Bad girls, ooh!
Blond girls, ooh!
Ooh, ooh, ooh!
Big girls, ooh!
Bad girls, ooh!
Blond girls, ooh!
Ooh, ooh, ooh!

There begins to be a warm feeling,
Ah, so good
The whole area begins to feel tingly.
Oh, that's what I like to hear.
Physiologically, she goes into high gear.
The pulse rate doubles,
As high as 160 beats per minute.
Breathing increases to an interrupted panting state.
As the momentum increases,
I feel a satisfying warmth.
It
Go on, pet.
Increases the motion and
The sensations are so intense
I become so absorbed
I'm unaware of anything except what's happening
between us.
Till I feel so much passion that I can no longer contain
myself,-aca
