

## Coldcut "Politik"

Visit "[Politik](#)" on MotoLyrics.com

Look at earth from outer space  
Everyone must find the place  
Give me time and give me space  
Give me real, don't give me fake

Give me strength, reserve control  
Give me heart and give me soul  
Give me love, give us a kiss  
Tell me your own politik

Open up your eyes  
Open up your eyes  
Open up your eyes  
Open up your eyes

Give me one 'cause one is best  
And in confusion, confidence  
Give me peace of mind and trust  
And don't forget the rest of us

Give me strength, reserve control  
Give me heart and give me soul  
Wounds that heal and cracks that fix  
My love, tell me your own politik

Open up your eyes  
Open up your eyes  
Open up your eyes  
Open up your eyes

And give me love over, love over, love over this  
Ahh, give me love over, love over, love over this  
Ahh
