So I waited for you
What wouldn't I do
And I'm covered it's true
I'm covered in you

And if I ever want proof
I find it in you
Yeah I honestly do
In you I find proof

Light and dark
Bright spark
Light and dark
And then light

So I waited all day
What wouldn't I say
And are there things in your way
Things happen that way

Oh and if I ever want proof
Then I find it in you
Oh, yeah I honestly do
In you I find proof

Light and dark
Bright spark
Light and dark
And then light

Light, light, light, light
