Talking to the songbird yesterday  
Flew me to a place not far away  
She's a little pilot in my mind  
Singing songs of love to pass the time

Gonna write a song so she can see  
Give her all the love she gives to me  
Talk of better days that have yet to come  
I never felt this love from anyone

She's not anyone  
She's not anyone  
She's not anyone

A man can never dream these kind of things  
Especially when she came and spread her wings  
Whispered in my ear the things I'd like  
Then she flew away into the night

Gonna write a song so she can see  
Give her all the love she gives to me  
Talk of better days that have yet to come  
Never felt this love from anyone

She's not anyone  
She's not anyone  
She's not anyone
