Such a rush to do nothing at all.

Such a fuss to do nothing at all.

Such a rush to do nothing at all.

Such a rush to get nowhere at all.

Such a fuss to do nothing at all.

Such a rush.

And it's just like you said,

It's just like you said.

Such a rush to do nothing at all.

Such a fuss to get nowhere at all.

Such a fuss (x2)

And it's just like you said.

It's just like you said.

Just slow down please,

Just slow down,

Just slow down please,

Just slow down.

Such a rush (x15)

Look at all the people going after money.

Far to many people looking for their money.

Everybody's out there, trying to get money.

Why can't you just tell me,

Try to get money, rush.

Such a rush.

They all rush.

Such a rush (x7)
