Yellow diamonds in the light
And we're standing side by side
As your shadow crosses mine
What it takes to come alive

It's the way I'm feeling I just can't deny
But I've gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place

Shine a light through an open door
Love and life I will divide
Turn away cause I need you more
Feel the heartbeat in my mind

It's the way I'm feeling I just can't deny
But I've gotta let it go

We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
We found love in a hopeless place
