Oh you, you only live twice or so they say.  
One life for yourself, one for the rest,  
And you, you drift through the years and life seems  
strange,  
And one dream appears and love is it's name.

And love is a stranger who'll beckon you on,  
Don't think of the danger or the stranger is gone.

Oh you, you only live twice, or so they say.  
One life for yourself and one for your dream, yeah  
And love is a stranger who'll beckon you on,  
Don't think of the danger or the stranger is gone.

Make one dream come true, you only live twice
