Hey Jude, don't make it bad
Take a sad song
And make it better
Remember, to let her into your heart
Then you can start to make it better

Hey Jude, don't be afraid
You were made to go out and get her
The minute You let her under your skin
Then you begin
To make it better

And anytime you feel the pain
Hey Jude, refrain
Don't carry the world upon your shoulders

For well you know that it's a fool
Who plays it cool
By making his world a little colder

Hey Jude, don't let me down
You have found her now go and get her
Remember to let her into your heart
Then you can start to make it better

So let it out and let it in
Hey Jude, begin
You're waiting for someone to perform with

And don't you know that it's just you
Hey Jude, you'll do
The movement you need is on your shoulder

Hey Jude don't make it bad
Take a sad song and make it better
Remember you let her under your skin
Then you'll begin
To make it better
