Do you remember chalk hearts melting on a  
playground wall  
Do you remember dawn escapes from moon washed  
college halls  
Do you remember the cherry blossom in the market  
square  
Do you remember I thought it was confetti in our hair

By the way didn't I break your heart?  
Please excuse me, I never meant to break your heart  
So sorry, I never meant to break your heart  
But you broke mine

Kayleigh is it too late to say I'm sorry?  
And Kayleigh could we get it together again?  
I just can't go on pretending that it came to a natural  
end

Kayleigh, oh I never thought I'd miss you  
And Kayleigh I thought that we'd always be friends  
We said our love would last forever  
So how did it come to this bitter end?

Oh, yeah

Do you remember barefoot on the lawn with shooting  
stars  
Do you remember loving on the floor in Belsize park  
Do you remember dancing in stilettos in the snow  
Do you remember you never understood I had to go

By the way, didn't I break your heart?  
Please excuse me, I never meant to break your heart  
So sorry, I never meant to break your heart  
But you broke mine

Kayleigh I just wanna say I'm sorry  
But Kayleigh I'm too scared to pick up the phone  
To hear you've found another lover  
To patch up our broken home

Kayleigh I'm still trying to write that love song

Kayleigh it's more important to me now you're gone  
Maybe it will prove that we were right  
Or ever prove that I was wrong
