(Music: Marillion Lyrics: John Helmer)

When we were young we used to say  
Things would be different  
One fine day

The walls would crumble  
Nations sing as one  
We live in hope, 'cause so far  
It hasn't come

Listenin' to the pouring rain  
Waiting for the world to change  
Beginning to wonder if we'll wait in vain  
For one fine day

Oh, how years change the things for which we strive  
A better world.. or just a quiet life  
What seemed so simple  
Is still so far away  
Don't hold your breath waitin'  
For one fine day

Listenin' to the pouring rain  
Waiting for the world to change  
Beginning to wonder if we'll wait in vain  
For one fine day

Life is strange  
It can seem you're high and dry  
Turn around  
You find there's nothing in this world you  
recognise  
Did we fall asleep babe?  
Dreaming that dream babe?

Listenin' to the pouring rain...

Did we fall asleep babe?  
Dreaming that dream babe?
