Reality is something that you rise above  
We don't see things as they are, we see them as we are  
Avoiding danger is no safer in the long run  
The fearful fall foul of fate is often as the reckless

You don't need money to be rich anyhow  
Spendin' yourself is what it's all about

No tears, no lies  
No pain no, doubt  
No darkness, no confusion

No loneliness, despair  
No way, no how  
It's all illusion

If you have made mistakes  
There's always another chance for you  
You can start over again at any moment  
Any little time you choose

A talk about failure  
To fall is not to fail  
Failure isn't about fallin' down  
Failure is stayin' down

Energy makes energy anyhow  
So spend yourself and get rich right now

No tears, no lies  
No pain no, doubt  
No darkness, no confusion

No loneliness, despair  
No way, no how  
It's all illusion

No tears, no lies  
No pain, no doubt  
No tears, no lies

Reality is something that you rise above

We don't see things as they are, we see them as we are  
Come on we see them as we are, we see them as we  
are  
We are

There's always another chance for you  
You can start over again at any moment  
Any little time you choose  
Any little time you choose

You can start over again  
Over again, over again

Get rich right now  
Get rich right now  
Get rich right now  
Get rich right now
