Can you feel my skin?
Can you feel my bones?
Can you put my spine
In plaster and take me home?

So unpleasant inside and out
So unpleasant inside and out
If you like I'll tell you about it
You wouldn't want to know

My heads full of water
Tears I never cried
Could you hold me under the shower
In the cold outside?

So unsteady inside and out
So unsteady inside and out
If you like I'll tell you about it
You wouldn't want to be

Separated out
Separated out
Separated out

I need medical attention
Where's my memory gone?
Everything I told you including this
I already forgot

Separated out
From the living stream
The thing that couldn't lie straight
Straight in the machine

So unstable inside and out
Don't know how much longer I'll take it
If you like I'll sell you a ticket
Or you can get in for free

Am I enough of a freak
To be worth paying to see?
Am I enough of a freak

To be worth paying to see?

Can you feel my skin?
Can you feel my bones?
Can you put my spine
In plaster and take me home?

Can you kiss my face?
Let me know it's there
Can you give it shape?
Can you kinda care?

Am I enough of a freak
To be worth paying to see?
Enough of a freak
To be worth paying to see

Enough
Enough

They're pointing and laughing
They're pointing and laughing at me
