We didn't lie to you, folks. We told you we had living,  
breathing, monstrosities. You'll laugh at them, shudder  
at them, and yet, but for the accident of birth, you  
might be even as they are. They did not ask to be  
brought into the world, but into the world they came.  
Their code is a law unto themselves. Offend one, and  
you offend them all!

Can you feel my skin  
Can you feel my bones  
Can you put my spine in plaster and take me home

So unpleasant inside and out  
So unpleasant inside and out  
If you like I'll tell you about it  
You wouldn't want to know

My heads full of water  
Tears I never cried  
Could you hold me under the shower  
In the cold outside

So unsteady inside and out  
So unsteady inside and out  
If you like I'll tell you about it  
You wouldn't want to be

Separated out  
Separated out  
Separated out

I need medical attention  
Where's my memory gone  
Everything I told you - including this,  
I already forgot

Separated out  
From the living stream  
The thing that couldn't lie straight  
Straight in the machine

So unstable inside and out  
Don't know how much longer I'll take it  
If you like I'll sell you a ticket  
Or you can get in for free

Am I enough of a freak  
To be worth paying to see  
Am I enough of a freak  
To be worth paying to see

And now, folks, if you'll just step this way, you are  
about to witness the most amazing, the most  
astounding, living monstrosity of all time.

Can you feel my skin  
Can you feel my bones  
Can you put my spine in plaster and take me home  
Can you kiss my face  
Let me know it's there  
Can you give it shape
