What a time this is
Everything changing
Faster than the eye can blink
Faster than we can stop & think
What will the future hold?
Well whatever..

I won't ask you to care
But say you'll be there
If you can't love me tonight
Just remember the light
Remember the light

Thankyou whoever you are
Thankyou whoever you are
Thankyou

If we get half of half a chance
We'll party til dawn. We'll run
and dance
Sleep on a train & rent a car
We'll gamble in the South of France
We'll be a friend to this mad world
Happy together

I won't ask you to sign
On some cold dotted line
But if you can love me tonight
I'll remember the light
Only the light

Thankyou whoever you are
Thankyou whoever you are
Thankyou
