Heading for the great escape
Heading for the rave
Heading for the permanent holiday
Heading for the winter trip
Heading for the slide
Heading for the dignified walk away
Heading for the open road
Goodbye to all that
Heading for the automatic overload
Standing in the open boat
Standing in the swing
Waiting for the ringing and the bright light
Waiting to be recognised
Quiet applause will do

You're holdin on
You're holdin on.....
i) The Last of You
Just when I thought I'd seen the last of you
You come here scratchin' at my door

Tell me more about the trust you disrespected

Why did you hurt the very one
Why did you hurt the very one that you should have
protected?
ii) Falling From the Moon
Don't ask me why I'm doing this
You wouldn't understand
You're asking the wrong questions
You couldn't understand
A bridge is not a high place
The fifty-second floor
Icarus would know
A mountain isn't far to fall
When you've fallen from the moon
There's murder on the street
I'm ashes on the water now

Somewhere far away
I have fallen
Fallen
From the moon
Falling...
