Epilogue

Go home to your mother!

Doesn't she ever watch you?

Tell her this isn't some communist day care center

Tell your mother I hate her

Tell your mother I hate you!

(12:40)

I want my son off of your mailing list

I have already contacted the post office for your  
pornographic material that

Has been received in the mail

My next stop is my attorney

I do not want this number called anymore and I do not  
want anything delivered

To my address

If I receive anything else from this band or this group,  
my next phone call

Will be my attorney and you will be contacted

Thank you and good bye
