And I don't want ya, and I don't need ya
Don't bother to resist, or I'll beat ya
It's not your fault that you're always wrong
The weak ones are there to justify the strong

The beautiful people, the beautiful people
It's all relative to the size of your steeple
You can't see the forest for the trees
Well there's no time to discriminate
Hate every hater that's in your way

Hey? you? what do you see?
Something beautiful, something free
Hey? you? are you trying to be mean
You live with apes man it's hard to be clean

The worms will live in every host
It's hard to pick which one they eat most
The horrible people the horrible people
It's all anatomic as the size of your steeple
Capitalism has made it this way
Old-fashioned fascism
Will take it away

Hey? you? what do you see?
Something beautiful, something free
Hey? you? are you trying to be mean
You live with apes man it's hard to be clean

Well there's no time to discriminate
Hate every hater that's in your way
