Is this what you wanted?
This is what you get.
Turned all your lives into this shit.
You never accepted or treated me fair
Blame me for what I believe
And I wear.
You fucked yourselves and you
Raised these sheep
The blue and the withered seeds
You will reap.
You never gave me a chance to be me
Or even a fucking chance just to be.
But I have to show you,
That you played a role
And I will destroy you with one simple hole
The world that hates me has taken it's toll
But now I have finally taken control.
You wanted so bad to make me this thing
And I want you now to just kill the king

And I am not sorry, and I am not sorry
This is what you deserve
And I am not sorry, and I am not sorry
This is what you deserve
And I am not sorry, and I am not sorry
This is what you deserve
(King Kill 33, King Kill 33)
And I am not sorry, and I am not sorry
This is what you deserve
(King Kill 33, King Kill 33)

King Kill 33
