[Unknown Woman:]

I fuck you because you're famous.

I fuck you for your money.

I fuck you to control you.

I fuck you so someday I can have half of everything you own.

I fuck you to fuck you over.

I fuck you 'til I find someone better.

I fuck you in secret.

I fuck you because I can't remember if I already fucked you before.

I fuck you out of boredom.

I fuck you because I can't feel it anyway.

I fuck you to make the pain go away.

[Manson:]

Fuck you because I loved you

Fuck you for loving you too

I don't need a reason to hate you the way I do.

Fuck you because I loved you

Fuck you for loving you too

I don't need a reason to hate you the way I do.

HATE YOU THE WAY I DO.

[Unknown Woman:]

I fuck you so I can feel something instead of nothing at all.

I fuck you because you're beautiful.

I fuck you because you're my nigger.

I fuck you because I am your whore.

I fuck you because you are a whore.

I fuck you for fun.

I fuck you for fun.

I fuck you because I can.

I fuck you so I have a place to stay.

I fuck you so you will protect me.

[Manson:]

Fuck you because I loved you

Fuck you for loving you too

I don't need a reason to hate you the way I do

Fuck you because I loved you
Fuck you for loving you too
I don't need a reason to hate you the way I do
HATE YOU THE WAY I DO.
