The hunger inside given to me, makes me what I am
Always it is calling me, for the blood of man...
They say I cannot be this, I am jaded, hiding from the
day
I can't bare, I cannot tame the hunger in me...
Oh, I say I did and always searching, you can't fuck
with me
So instead you'll taste my pain
The hunger inside given to me, makes me feel alive
Always out stalking prey, in the dark I hide
Feeling, falling, hating, feel like I am fading, hating
LIFE!
They say I cannot be this, I am jaded, hiding from the
day
I can't bare, I cannot tame the hunger in me...
Oh, I say I did and always searching, you can't feck
with fate
So instead you'll taste my pain
You say your life I'm taking, always bothering me, I
can't take this anymore,
I'm failing, always smothering me
You look down on me, hey what you see, take this gift
from me, you will soon be ME!
Nothing seems exciting, always the same hiding...
hiiddinggg...
It's haunting me. It's haunting me. It's haunting me. It's
haunting me
It's haunting me...
