Burn the witches, burn the witches.
Don't take time to sew the stitches.
Burn the witches, burn the witches.
Don't take time to sew the stitches.
Hand shake, ring sign, snake eye, bite mine.
Hand shake, ring sign, snake eye, bite mine.
I don't need your hate.
I decide my fate.
Burn your bridges, burn your bridges
Don't take time to sew the stitches.
Burn your bridges, burn your bridges
Don't take time to sew the stitches.
Levi, Crowley, Golden Dawn.
Strange same dogma, on and on.
I don't need your hate.
I decide my fate.
We don't viscerate.
Your mind masturbates.
